

New Sentry Elite™ is Packed with Features

Sentry Elite™ 4'
with Parking Garage Lens

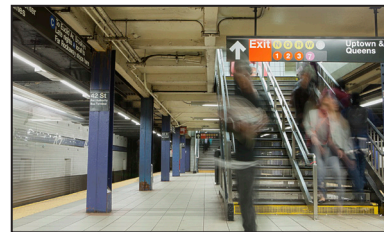

A.L.P. engineers have focused decades of expertise in vapor tight fixture kits to develop the feature-packed Sentry Elite™. It has all the performance advantages you've come to expect from the Sentry product family, plus many improvements, all optimized for today's LED applications.

Features

- Fewer internal components for faster assembly and easier installation
- Five lens choices, including injection molded prismatic
- Captive latches
- Wider gasket channel to improve seal
- Ultra-low profile, structural 5VA rated fiberglass housing
- Listings include: IP65, IP66 & IP67 rated; 1500 PSI hose-down; and rated for -40°F (-40°C) to 104°F (40°C) ambient temperatures.

Applications

Parking Garages	Transit Stations
Car Washes	Stairwells
Food Processing Plants	Loading Docks
