

LEXALITE[®]

AN **A.L.P.** BRAND

The LexaLite[®] Brand is recognized for two related but distinct market strengths: We are a premier supplier of off-the-shelf optical component solutions to lighting fixture industry OEMs. We are a custom injection molder specializing in lighting and other clear, transparent or metallized components. Beyond those specialties, we are a highly capable molder offering a wide variety of secondary services.

Your optical and custom molding innovator.
