To A.L.P. Lighting / LexaLite® International Corporation Customers:

Subject: RoHS/REACH Registration Evaluation Authorization and Restriction of chemical substances

We have reviewed the acrylic and polycarbonate specialty sheet and film products also including lighting components (refractors, reflectors, lenses and Reflexor® products) we deliver to customers and determined that these products contain no substances prohibited by RoHS/REACH.

We have also reviewed our Prismatic Reflexor® accessories of collars and clamp bands and determined these products contain no substances prohibited by Rohs/REACH.

We hope this assists your company with efforts to be RoHS/REACH compliant. If you require any additional details, you can reach me at (Tel. 1.231.547.1479 or fax +1.231.547.5833 or e-mail:
