

ELNV LED Troffer

1x4 LED

General Description

The ELNV offers the look and feel of a fluorescent luminaire — subtle soft direct elements, interest and depth across the ceiling plane — with a contemporary look that blends with today's commercial spaces.

The specially formulated Lumieo® lens provides a diffused luminance, with the effective combination of excellent light transmission and haze.

Applications

For recessed commercial applications such as offices, hospitals, schools etc. Suitable for use in standard 15/16" inverted T-Bar grid ceilings.

Features and Benefits

- Unique composition diffuser manages the balance of efficiency and aesthetics
- Linear arrayed LED modules provide diffused, but effective illumination
