

### Lenses

Clear crepe shallow diffuser acrylic

### Description

Gasketed enclosures replacement lenses available in high impact acrylic/DR with a crepe pattern. Diffuser lens to be positioned into a continuous gasketed existing housing slot (*housing was discontinued by A.L.P.*) and securely held place in place by white acetal or stainless-steel retaining latches that assure a continuous wet location seal.

### Applications

For use in food processing facilities, kitchens, parking garages, car washes, government facilities, schools, public areas and industrial facilities.

### Ordering Information

Please call 877-257-5841 for price and delivery.

Please contact A.L.P. for pricing and delivery.

Apply silicone sealant to internal threads for wet location use.

TW accessories will continue to be available.

All specifications subject to change without notice. A.L.P. assumes no responsibility for these materials in any luminaire or application.

The product is an OEM component kit requiring final assembly by a qualified OEM fixture manufacturer.
