

# Personal Protective Equipment (PPE) Face Shield

## Ordering Information

This Personal Protective Equipment (PPE) Face Shield from A.L.P. was designed to protect at-risk front-line health care workers.

- Clear Polycarbonate visor with foam backing and adjustable elastic for a tight, yet comfortable fit.
- Clear PET shield is 9.5" high and delivered unattached to the visor.
- Shields are easily attached to headband visors by quickly snapping into place.
- Visors and Shields sold separately for replacement purposes.
- Durable visors are re-usable.
- Snap off a used shield and snap on a new one.
- 4MIL Shields feature anti-fog coating on both sides.
- Shields, visor headbands and foam can be cleaned with isopropyl alcohol or hand sanitizer. Discard if any degradation is observed.
- Packaging and face shield designs may be modified at any time without notice.
