2x2'

Length 23.74"
Width 23.74"
Height 3.07"
H2 4.65"

2x4'

Length 47.71"
Width 23.74"
Height 3.07"
H2 4.65"

Housing

26-gauge steel

Finish

Post painted matte white with minimum
92% reflectivity

General Description

The DBL 591R is a recessed luminaire kit featuring a parabolic louver. Designed for commercial and industrial applications, it can work with a variety of LED tube and LED module combinations. Its body features a technical post-painted finish with 92% reflectance to deliver outstanding light distribution, lowering maintenance and extending fixture lifetime. The parabolic louver controls glare while efficiently distributing light.

Features and Benefits

- Recess-mounted installation.
- Accommodates 3 x T8 lamps or LED modules.
- Optional driver box system for driver installation.
- Electrostatically applied polyester powder coat paint in Matte White finish with 92% reflectivity.
- Body is formed and welded in 26-gauge steel (0.45mm).
- Driver box system is 23-gauge steel (0.60mm).
- Parabolic louver latch system provides easy access and maintenance.
- Custom LED pattern holes available (contact Customer Service).

Applications

Suitable for interior applications including hospitality, healthcare, education, retail, and office environments.

Please contact A.L.P. for pricing and delivery. A.L.P. will support design and development with customer supplied light engines. All specifications subject to change without notice. A.L.P. Lighting Components, Inc. assumes no responsibility for these materials in any luminaire or application. The product is an OEM component kit requiring final assembly by a qualified OEM fixture manufacturer.
