

General Description

This narrow linear luminaire kit is designed for hallways corridors, lobbies, and office areas. Used as a surface or pendant, it can be row mounted with an optional joiner system. Offered in several size options, its technical post-painted finish with 92% reflectance reduces maintenance and is durable and efficient.

Features and Benefits

- Pendant or surface installation options.
- Electrostatically applied polyester powder coat paint in Matte White finish with 92% reflectivity.
- Formed and welded in 23-gauge steel (0.60mm).
- Standard sizes are 4in x 4ft and 4in x 8ft and a 4in x 2ft model may be available (contact Customer Service).
- Acrylic technical frosted diffuser with 80% light transmission.
- Installed individually or in continuous rows.
- Custom LED pattern holes available (contact Customer Service).

Applications

Suitable for interior applications including hospitality, healthcare, education, retail, and office environments.
