Narrow Linear Fixture Kit
LAL 3552 4”
by Light Tool International

General Description

This narrow linear luminaire kit is designed for hallways, corridors, lobbies, and office areas. Installation is recessed, and it can be row-mounted with an optional joiner system. The acrylic matte diffuser offers superior light diffusion and efficacy. Offered in several size options, its technical post-painted finish with 92% reflectance reduces maintenance and is durable and efficient.

Features and Benefits

- Recessed installation, individually or in continuous rows.
- Post-painted in matte white finish with 92% reflectance.
- Formed and welded in 23-gauge steel (0.60mm).
- Acrylic technical frosted diffuser with 80% light transmission.
- Standard sizes are 4”x 4ft and 4”x 8ft, and 2ft lengths may be available (contact Customer Service).
- Custom LED pattern holes available (contact Customer Service).

Applications

Suitable for interior applications including hallways, corridors, lobbies, and office areas
